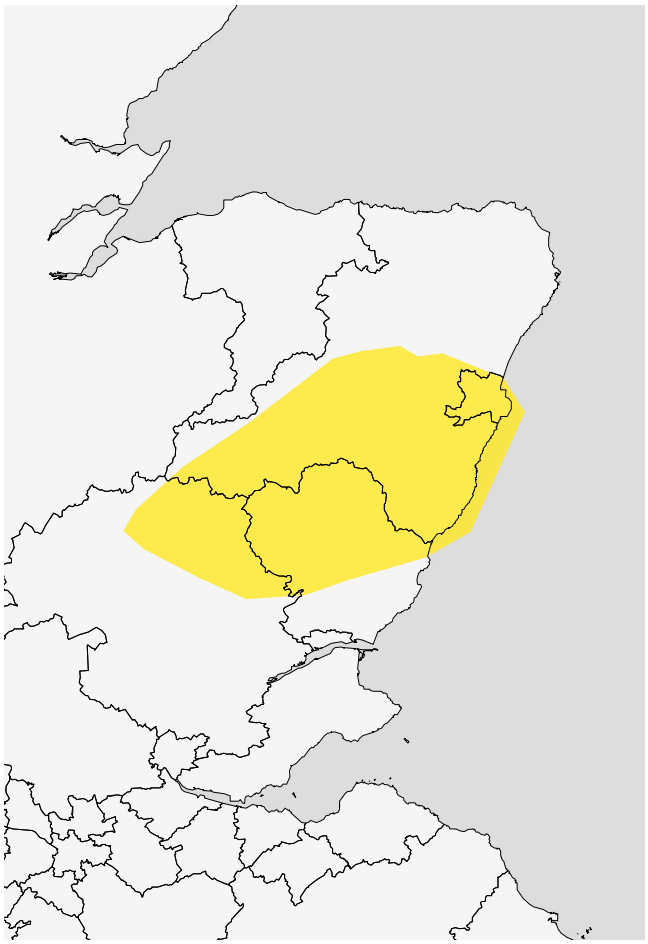
Yellow warning
Thunderstorm

Between
13:00 Tue 10 Aug 2021 and
21:00 Tue 10 Aug 2021



Whilst many places will see showers a few areas will see heavy showers or thunderstorms bringing localised travel disruption and flooding

What to expect

- Some flooding of a few homes and businesses likely, leading to some damage to buildings or structures
- Probably some damage to a few buildings and structures from lightning strikes
- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Some short term loss of power and other services is likely

Further details

Heavy showers and thunderstorms will break out during the afternoon. 10 to 20 mm rain could fall in an hour or so in some places and 20 to 40 mm rain may build up over several hours in a few spots. Lightning and hail will be additional hazards for some. These showers will then ease and fade away during the evening.
